

Closing Blakeney Surgery?

Tell us what you think

September

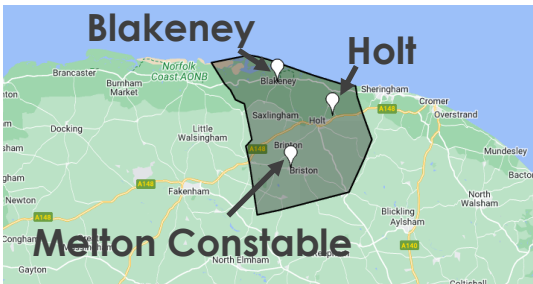

30

We are asking the Integrated Care Board if we can close it.

We want to know what you think by 30 September 2023.

Our Surgeries now

Holt Medical Practice runs 3 Surgeries - Blakeney, Holt and Melton Constable.

Each Surgery costs money to run. We have to keep to a budget.

Blakeney Surgery is an old building.

It costs a lot to run

It needs repairs

It is hard for disabled people to use

We have already spent money on the Holt and Melton Surgeries.

Closed The idea is to close Blakeney Surgery and keep Holt and Melton Surgeries open

How people use our Surgeries

Most people already choose Holt or Melton Surgery for their appointments.

There are lots more new houses and care home spaces in Holt, Melton and some in Blakeney.

This means lots more people need appointments.

More people want to be seen that day and want urgent appointments.

Surgeries are busier and have to look after more staff.

Worries if Blakeney Surgery closes

Ideas to help if it does close

Worry

Appointments will not return to Blakeney Surgery

Ideas to help

There are buses to Holt

Melton Surgery will stay open

Worry

Collecting medication will stop

Ideas to help

Extend our medication service from Holt

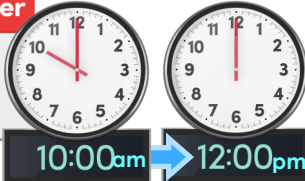

People can get family or friends to collect

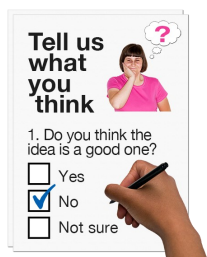

Run medication collection somewhere else in Blakeney

How to tell us what you think

Go to a drop-in Healthwatch session

Tell us what you think by
Saturday 30 September 2023

What happens next?

We will work with Healthwatch to look at all the feedback in October 2023.

We will send our application to the Integrated Care Board in November - December 2023.

The decision will be made in January - February 2024.

If the Integrated Care Board says no we might still have to shut Blakeney Surgery if we cannot run it safely
